Administration:	(Present)	

2023:368 ACTION ITEM(S) (including Committee Reports): NIL

2023:369 DISCUSSION ITEM(S):

a) Achieving Financial Targets: A New Approach to Snow Removal

K. Elgharbawy, Superintendent of Facilities Services and Plant shared information to attain the targeted cost savings of one million dollars within the scope of winter maintenance. Halting snow removal in the playground area of certain elementary schools, specifically those without portable classrooms was noted.

The Board of Trustees expressed their concerns and were reassured that there will be a reassessment on a school-by
